

Site: Land adjoining 143 Queens Road, Littlestone, Kent, TN28 8NA
Application Ref: Y18-0524-FH
Contents: **Summary of information submitted in support of the discharge/
removal or variation of conditions**

The following schedule is a summary of the conditions that are addressed in this application.

#	Details	
8	Contamination	This condition was included to cover the eventuality that contamination might be found during the development that has not been previously identified. A remediation strategy was prepared and approved under condition 12 (Part 3) for Y16/0559. The works have been carried out in accordance with the remediation strategy. We can confirm that no further contamination has been found through-out the development works. Accordingly, we would be grateful if you could confirm that the requirements of this condition have been met and discharged.
11	Hard and soft landscape details to be provided	Information is submitted to discharge the condition; please refer to the A1 drawing titled: '<i>14.1.600_Landscaping_Details</i>', and also A4 document titled: '<i>14.11.D06 - Landscaping Strategy and Recommendation</i>'
12	Schedule of landscape maintenance to be submitted	Information is submitted to discharge the condition; please refer to the A4 document titled: '<i>14.11.D06 Soft Landscaping Strategy and Recommendation</i>'
