20th May 2019

DELIVERED BY HAND

Dear Sir/Madam

21 MAY 2019

Planning Application Ref No Y19/0451/FH
35 Castle Avenue, Hythe, Kent CT21 HD

Thank you for the phone call this morning from your office with regard to the above application. I have today sent a separate email to planning@folkestone-hythe.gov.uk concerning this matter.

I was told by Liam (I am sorry I do not recall his surname) that my objections to the above would be accepted today because, as I explained to him, I only returned home from a three week holiday on 17th May which was the official end date for objections to be registered.

My concern is that the first floor and roof extension will substantially reduce light from two of my rooms upstairs and three windows downstairs in my house which is situated next door to 35 Castle Avenue.

Additionally, my solar panels which face the adjoining property will have diminished access to daylight and sunshine.

I look forward to hearing from you.

Yours, sincerely

K E Ryder
