Application No: Y19/0513/FH

Location: 69 Seabrook Road Hythe Kent CT21 5QW

Development: Condition 9 (boundary treatment) for planning application Y17/1065/SH.

I acknowledge receipt of your payment of £116.00 for the following submission(s):

Condition 9 (boundary treatment) for planning application Y17/1065/SH.

Please note that we no longer send receipts.

You may experience some delays having your application validated or determined, or may find it difficult to get a progress report from the case officer dealing with your case. Unfortunately several senior members of the Development Management Team have secured jobs elsewhere to progress their career and, as a result, the caseload of the remaining planning officers has significantly increased.

The case officer dealing this this is Robert Allan and you will be advised whether the details are acceptable by the 21st June 2019

If you have not been advised of a decision by 12 weeks from the date the application was

valid, or a longer period agreed between the applicant and the local planning authority, you will be entitled to a full refund.

Under the provisions of the General Data Protection Regulations 2018, from 25th May 2018 all comments on applications will be held for 3 years.

Yours faithfully

Planning Administration Team
