Subject: Re: Planning Application Acknowledgement Y19/0609/FH

Thank you for your email.

The works described in the application is based on the advice given by David Sephton. The works are remedial and the minimum is required to remove the deadwood from the crown and to restore a balance to the tree following the removal of limbs during the construction of the Castle Mews development. You would be in a better position to gauge the amount of necessary works required or allowed from the windows of the Civic Centre?

Kind regards,
Mike
