Subject: Proposed dog grooming application y19/0635/FH

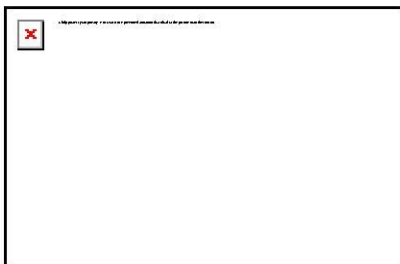

Sir/madam

We are very much in favour of this proposed business, as are a number of neighbours and friends. As a dog owner myself I very much welcome a local friendly service into our neighbour hood. Hawkinge is a very dog friendly area and this business will be a blessing to us.

We are aware of there is concern about parking in the area. I don't think this will be a problem as if dogs are not walked there, they are dropped off and then picked up taking very little parking time. Also as a neighbours we have two parking areas in front of our house and a drive. We are very happy , if there ever was such a problem, to let customers use them to drop their dogs off. We, like most people in that area are out at work during the day time, when there isn't a problem with parking. It may be a problem of an evening, but then the business will not be operating.

Regards

[REDACTED]
