> Sent from my iPhone. With reference to the new parking plan on the road I think this only to suit the people that want access to the site not the people that live in the road or any environmental result as I said before you have not spoke to any people that live in the Road or offered any thing to them regarding there property as I said before the road is to narrow for lorries passing it all ways one way the people who want to build so as for the parking plan is rubbish and totally against it
