Dear planning at Folkestone-hythe

Me and my partner strongly object to plans that have been submitted for this addition in sandgate! We have worked in the area and urged residents and clients to try and keep everything around them as in keeping with original as possible. This addition will be an eye sore to its surrounding areas and completely losing its natural heritage and look. I have a family member living in the flats on prospect road very close to this house in question, he is unable to forward an email or comment on the situation as he is very ill. So I have wrote one on his behalf. We would really appreciate a second thought on this property and to take into account residents surrounding it and how it will affect them.

Thank you for your time

Yours sincerely
Dean porter
