Dear Katy,

Apologies.

Yes, the impacts of the proposals appear to have been minimised by what has been presented and the works will be covered by the archaeological watching brief so I would be happy to approve these details too.

I hope that this is helpful.

Kind regards

Casper

Dear Casper,

Thank you for your email dated 29th March confirming the WSI is acceptable. As part of the original application KCC Archaeology also requested condition 5 (details of which are also under Y19/1389/FH). Can you please also advise if those details are acceptable?

Kind regards,

Katy Claw
