Dear Alexander,

I am working on the above planning application and our understanding is that the above reference is for a decrease in the number of proposed houses to be built (4 instead of 6), when we compare to the previous planning application reference **Y18/0565/FH**.

As such, we advise that our comment sent for **Y18/0565/FH** on the 27th of July remain valid for **Y18/1269/FH**.

Please don't hesitate if you have any questions.

Kind regards
