Dear David

The Meeting of Lydd Planning Committee was held on 12th November 2018 and the comments are as follows:
7 councillors present

Y18/0331/SH Whitehall Farm Romney Road Lydd Romney Marsh

Retrospective application for the change of use of the land from Agricultural use to use for storage of caravans/motorhomes and the change of use and conversion of an Agricultural Barn (Little Owls) to residential use.

OBJECT TO THE PROPOSAL

Supporting the objection to the proposal	6
Abstention	1 (Cllr Laws)

The Committee agreed to object to the application on the grounds that the previous enforcement notices on Whitehall Farm have not yet been carried out and that the reasons for imposing the enforcements have not changed and have not been addressed. There is an adverse visual impact on the street scene from the activities and parking of vehicles at Whitehall Farm which will not be screened by deciduous trees and there will be increased vehicle movements. It was agreed that the classification of the land should be agricultural use only and request that the District Council Planning do not approve granting retrospective permission for the change of use from Agricultural to Residential and instead refuse the application and continue to pursue the enforcement notices.

The Committee requested that this application is CALLED IN by the District Council.
