Dear Sirs

**Re: PP - 05588248 – Planning Consent No.Y16/0524/SH - 24 Bouverie Road West,
Folkestone, Kent CT20 2SZ.**

Further to our above online submission of the Discharge of Condition Application for the above site, I duly enclose the required application fee cheque in the sum of £97.00 for your purposes.

Also attached to this letter are the sample materials & details to discharge condition no.2. This includes a sample of the roof slate & details of the two types of Ibstock bricks to be used in the development.

I confirm that we are currently attempting to upload onto the Planning Portal the Soil/Contamination Report for the site (Condition No.7), but due to the file size, we are currently having some difficulties. If this is not possible, we may have to submit a hard copy of this under separate cover.

I trust you therefore have all the necessary information to determine this application.

Yours faithfully

Stuart Ingleston Esq., MRICS
Chartered Building Surveyor
