Dear Sirs

**PLANNING APPLICATION Y16/1218/SH
ERECTION OF A 3 STOREY BLOCK OF 8 APARTMENTS FOLLOWING THE DEMOLITION OF THE EXISTING
DWELLING AT 3 TANNERS HILL, HYTHE.**

Hythe Civic Society (HCS) represents some 850 individual subscribers who are committed to Hythe and interested in its future development.

HCS does not object to the principle of redevelopment of this site for continued residential use but wishes to make the following two comments:

- 1 There is insufficient on-site parking for residents – let alone for visitors.
- 2 HCS is concerned at the increased traffic flow immediately adjacent to the junction of Tanners Hill and North Road.
