

Head of Planning, Civic Centre, Castle Hill Ave,
Folkestone, CT20 2QX

29th Dec. 2016

Your ref. Y16/1323/SH/BL

Dear Sir

Re: 125 Sandgate High St, Sandgate - CT20 3BZ ~~Corporate~~ Post Room

I object to each & every encroachment.

03 JAN 2017

1. Why does everything refer to "the building"? Do any of the Planning Applications since 2004 mention the new concrete out-building — over the footings of 121B's house wall — without leaving one metre of side-space?
2. Has permission been granted for the out-building?
3. If so — when? What are the dimensions (inc. height) of this concrete outbuilding?
4. Are Sandgate Parish Councillors in discussion with you about:
 - a. the trash & debris that lodges in the exposed fans of the generator?
 - b. straying children (& their toys); pets, injured seabirds — not unusual on seafront properties?
 - c. Is there a Fire Safety Officer's report?
 - d. the removal of the out building & the generator?
5. Are you, or any of the Councillors, aware of the serious consequences following on from the addition of new pipework etc. on the exterior flank wall of Strand House?
Was there any follow-up on the Conservation Officers on-site comment that "the ^{new} pipework could be inside the house wall" — to allow more space/access between front door of Strand House and the High St.?

30 DEC 2016.

1 of 9

6. Do you, any of your staff, or any of the Councillors realise that a N.H.S. ambulance crew apologised — the passage way between 125 & Britannia Cottage (123) — from 125's front door to the High St. is too narrowed-down because of the pipework — they couldn't get a wheelchair through the gap?
7. How wide is a N.H.S. wheelchair?
8. How many external lights and cameras, and, where are they situated?
9. What is their purpose?
10. Would it be more appropriate, efficient & apt for legal surveillance / equipment etc. to aim at the doors, windows of Strand House?

I look forward to the answers to the above questions.

With best wishes,
Yours faithfully,

c.c.: Sandgate Parish Council

Darren Collins M.P. House of Commons
