Dear Sirs

Flats on site of Dance Easy ref. Y16/1391/SH The Bayle

I object to the proposal to build flats on this site as the removal of the Dance Easy building would lead to the loss of a valuable and well run local amenity. It is currently used for a variety of community functions which have always been well run and have never led to necessity for the police to be called or to problems associated with excess imbibing of alcohol.

Yours faithfully

P J Fox
