The Heritage Statement for 34 Stade Street Hythe CT21 6BD

A row of early C19 cottages. Tiled roofs. 2 storeys red brick except for Nos 36 and 38 which are of stone rubble with red brick dressings and quoins on tile south side, and are possibly older than the others. Modillion Eaves cornice. Glazing bars intact except on ground floor of Nos 32 and 36 which have small shop windows. Nos 36 and 38 have casement windows. The doorcases of Nos 24-34 are set in frames (Nos 26, 28, 30 and 32 in pairs) with projecting cornices, low rectangular fanlights and 6-panel moulded doors.

The backs of the cottages have an odd assortment of windows and are tile hung.

Photos below are before work started, some of the tiles had been cemented in place, NB this is the back of the property.
