Your Ref: Y17/0196/SH/BL

Dear Sirs,

Application No Y17/0196/SH re: Flat B, 9 Earl's Avenue, Folkestone CT20 2HW

---

Thank you for your letter regarding the planning application for replacement windows to the above property (mix of double glazed UPVC & timber).

I would like to object to this proposal. I had always been given to understand that these Edwardian properties are in a conservation area and all have fine wooden, sash windows in keeping with the style of the buildings. Indeed, I myself had to have three new windows two years ago and I ensured that the new windows were to be an exact copy of the ones being replaced.

I do feel that the plastic windows would detract from the fine appearance of the house and could perhaps start a regrettable precedent. We are lucky to be guardians of these fine houses and should therefore adhere to the spirit of conservation in this area.

I do hope that this proposal will not be allowed.

Yours faithfully,

Sandra Bierman
