Comments: When I got the letter I did not take it seriously because I thought it couldn't possibly be the care home next door to my house. 16 new rooms couldn't possibly fit on there. Now I realise that it is next door and I am quite shocked. The plot is too small to build on so much. It is already too busy on that point of Bartholomew Lane. It is very dangerous when we try to drive out of Lea Close. There are always cars parked on the hill and we can't see around. We can only see underneath the parked cars. Could they not buy a larger house instead. The noise of the building works will be bad for a long time and we might not be able to get out.
