Application - Y17/0981/SH

Location - Church & Dwight Uk Ltd, Bowles Well Gardens, Folkestone, Kent, CT19 6PQ

Proposal - Erection of detached security gate house at site entrance

I refer to the above planning application and consider that there are no highway implications associated with the proposals.

INFORMATIVE: It is the responsibility of the applicant to ensure , before the development hereby approved is commenced, that all necessary highway approvals and consents where required are obtained and that the limits of highway boundary are clearly established in order to avoid any enforcement action being taken by the Highway Authority.

Across the county there are pieces of land next to private homes and gardens that do not look like roads or pavements but are actually part of the road. This is called 'highway land'. Some of this land is owned by The Kent County Council (KCC) whilst some are owned by third party owners. Irrespective of the ownership, this land may have 'highway rights' over the topsoil. Information about how to clarify the highway boundary can be found at <http://www.kent.gov.uk/roads-and-travel/what-we-look-after/highway-land>

The applicant must also ensure that the details shown on the approved plans agree in every aspect with those approved under such legislation and common law. It is therefore important for the applicant to contact KCC Highways and Transportation to progress this aspect of the works prior to commencement on site.

Yours faithfully

Lisa Daniels
