APPEAL GUIDANCE NOTES

Note:

This permission is confined to permission under the Town and Country Planning Act 1990 (as amended) and does not obviate the necessity for compliance with any enactment, bye-law or other provision whatsoever or of obtaining from the appropriate authority any permission, consent, approval or authorisation which may be required.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or the grant of it, subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within three months of the date of the notice, using a form which you can get from Initial Appeals, The Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at www.planningportal.gov.uk/pcs.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provision of a development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which had been or would be permitted. In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interests in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
