Application - Y16/0534/SH/CONA

Location - Rugby Clubs Campsite, Dymchurch Road, St Marys Bay, Romney Marsh, Kent, TN29 0HF

Proposal - Discharge of condition 19 - car parking/turning, condition 20 - cycle parking, condition 22 - wheel washing, condition 23 - construction management plan

Thank you for your consultation in relation to the above planning application and the discharge of the above conditions. I have the following comments to make with respect to highway matters:

The details submitted are acceptable to discharge conditions 19, 20 and 23. With regards to the discharge of condition 22 there are no details of the wheel washing facilities available on site. The facilities have not been referred to on the plan or within the Construction Management Plan. I would suggest adding a wheel washing station at the site access point, near to the new timber swing gates.

Yours faithfully

Lisa Daniels
Development Planner
