Subject: Louise Daniels re Y17/0398/SH

Dear Louise.

Thank you for notifying us about the altered plans.

We rang yesterday to speak to you but as no reply has been received please would you answer these two questions:

1. Why has a planning notice not been displayed either in Naildown Close nor Cliff Road. (From comments made more people than the immediate neighbours are concerned about this development.) 2. When will Highways be asked to comment on the correct site?

Diana Showan and Wendy Davies [REDACTED]
