Please see below the advert Bank Bar has placed on social media. Please note "taking over". You can't deny this is a night club.

[On Saturday October 7th](#), we take over BANK BAR in Folkestone.

Bank Bar is a converted bank vault, retaining many of its original features. Minimal lighting, black painted walls and a full Martin Audio sound system, makes this the perfect underground venue for our next event.

Entry to this event is £3 before [11pm](#) and £5 after. The capacity at Bank Bar is 150 and we fully expect to reach this, so early arrival is advised.

Joining our resident DJ's - Justin Randall, Dean Stores and Rob Warr, is special guests MARK PALMER and IAN DUNNE.

• • RETURN BUS FROM DEAL VIA DOVER TO BANK BAR • • Check the YHOM Facebook page for more details.
