Subject: Y17/0927/SH - 34 Julian Road, Folkestone

Hi,

Re: Y17/0927/SH - 34 Julian Road, Folkestone.

I have no objections to the proposed development.

All tree protection measures as detailed in the accompanying pre-development tree survey and report will need to be conditioned should consent be granted, along with a condition that requires the LPA tree officer and applicants consultant arboriculturist to be in attendance during the excavation and construction of the vehicular cross-over between the two Horse Chestnut street trees.

Kind regards,

Dave.
