Quoting ref: Y17/1042/SH

Dear Planning Department

I write in reference to the above planning application (Princes Parade). I whole-heartedly support this proposal as I feel that the town needs this leisure centre. My daughter attends a water polo club on a Sunday, which she really enjoys. It would be a real loss to Hythe and surrounding towns/villages if this leisure centre proposal did not go ahead.

Yours faithfully

Anna Smith (Mrs)
