Subject: Y17/1208/SH - Hollybush Cottage, Stone Street, Lympne

Hi,

Re: Y17/1208/SH - Hollybush Cottage, Stone Street, Lympne.

I have no objections to the felling of this Lime tree.

The tree is in steady decline with extensive decay throughout. The tree poses a significant threat to the adjacent properties, users of the adjacent highway and overhead power lines.

We will require details of a replacement tree (species, size, planting location...)

Kind regards,

Dave.
