Dropped kerb

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The new access is not on a classified road;
No significant alteration of land levels is required;
The works do not create an obstruction to the view of people using the road;
The access is not required in connection with development that needs planning permission;
The new access would significantly increase the enjoyment of the use of the household.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?
