Dear Mr. Lloyd,

The New Folkestone Society's planning sub-committee considered the above application at a meeting on 19 March 2024 and has delegated powers to lodge the Society's support on the following grounds:

- We are pleased to see proper respect given to the sensitive upkeep of a heritage building and the use of timber windows in the correct style.
- In particular, the Heritage, Design & Access Statement should be commended as an excellent example of a Heritage Statement, with an appropriate level of detail on the history and form of the building and impact assessment.

Yours sincerely,

Mark Hourahane
Chair, New Folkestone Society planning sub-committee
