Subject: FW: Planning Application - 24/0248/FH

You don't often get email from philip@casongreen.co.uk. [Learn why this is important](#)

Dear Jane

I am sorry I missed your phone call about the planning application.

The planning application at 15 and 17 Marten Road, Folkestone will convert the attached garage to a meeting room which will be used by the Nun's who live at the Convent. The existing garage is currently partially used for storage, which can be accommodated elsewhere in the property and is generally not wide enough to accommodate a modern vehicle. Therefore, the change of use to a meeting room will not result in the loss of parking to the property and the proposed use will not require any additional parking requirements.

I hope this provides you with all of the information you require, and we look forward to the application progressing.

Kind regards

Philip
