Dear Casper,

Thank you for your helpful and quick response. We will review the comments made and look to update the report within the next couple of days and issue to you by Monday/Tuesday next week.

Thanks

Kind Regards,  
Thijs

**Subject:** RE: Archaeological Desk-Based Assessment - 23/1972/FH – Land at the Junction of Aerodrome Road & Spitfire Way

Dear Thijs,

Thank you for sending a copy of the desk-based assessment. My comments below are based on a relatively rapid review of the document but I thought it best to get back to you quickly given the relatively tight timeframe.

The report needs to include plans to show the location of the Kent Historic Environment Record monuments and events data and to reference these both in the report text and with a table of the results from the HER. Plan such as the historic mapping need to show the site boundary and at the same scale, for ease of reference. There needs to be a plan that illustrates the extent of the work carried out by Archaeology South-East which you reference in the report. This latter point will be important for understanding what work had been undertaken previously by ASE within the present site boundary. I have attached the KCC guidance for archaeological desk-based assessment for reference.

I would be happy to review a revised draft before formal submission if helpful.

Kind regards

Casper

Some people who received this message don't often get email from [thijs@kentplanningconsultancy.co.uk](mailto:thijs@kentplanningconsultancy.co.uk). [Learn why this is important](#)

Dear Casper (cc. Alex)

### **Archaeological Desk-Based Assessment - 23/1972/FH – Land at the Junction of Aerodrome Road & Spitfire Way**

I hope you are well. Further to my colleagues report being issued, I note the officer is due to determine the scheme by 16 April. She will accept your comments if they are made prior to this date, otherwise she will base this on the current response.

I would therefore welcome your expedient review of the archaeological report issued and your comments issued to the case officer (copied in).

Stafford, Alex [Alex.Stafford@folkestone-hythe.gov.uk](mailto:Alex.Stafford@folkestone-hythe.gov.uk)

Thanks

Kind Regards,  
Thijs
