

Officer Report

Application No.	24/1916/FH/CON
Site Address	Woodstock Farm, Lymbridge Green, STOWTING COMMON, TN25 6BJ
Officer Name	Danielle Wilkins
Proposal	Approval of details pursuant to Condition 5 (details of method of disposal of foul & surface waters) of planning application 24/1620/FH

Recommendation

Report Number	RD-436492
Recommended Decision	Recommended to be Approved
Recommendation Date	17 January 2025

Report

Condition 5 (foul and surface water drainage) approved as per details contained within the covering letter dated 06/12/2024 and received on 06/12/2024. The letter confirms that:

- No foul waste is proposed
- Surface water will be dealt with via soakaways located in the adjacent field as per the specification contained within the covering letter

Southern Water and the Environment Agency have been consulted on the proposed soakaway methods and raised no objections.
