Many thanks for your email.

Please accept this late objection as it appears that the deadline date is now closed on the portal.

The pictures enclosed are to be used as part of our objection from Viewjoin Management Company Ltd

We are all owners of 10 flats  
59, & 61 Earls Ave, Folkestone CT20 2HA, UK.

The pictures represent the total lack of access via The Mews homes

The parking pictures enclosed also proves there will be no room for any emergency vehicles.

The intention to build a 3 storey block would mean more cars

Please confirm receipt by return

***Regards***
