Homing in on Trophy test

By Thomas Reeves

Assistant manager Lloyd Blackman is looking forward to Folkestone's first home cup match at Cheriton Road this season.

The Isthmian Premier high-fliers have been drawn against National League South AFC Totton on Saturday, November 15 in the FA Trophy second round.

In the Stags' first-ever campaign at Step 2 they find themselves in the play-off places. But - provided they don't get promoted at the first time of asking - Totton could find themselves up against Jay Saunders' side in the league next year.

Promotion-chasing Folkestone knocked out National League South clubs Maidstone and Horsham on their way to the FA Cup fourth qualifying round this term.

The Trophy tie will be Invicta's first at Cheriton Road, too, having started to play on their new 3G pitch in recent weeks.

With ground redevelopment work being undertaken, they played 'home' FA Cup ties against Sevenoaks and Maidstone at Ashford and Chatham.

Blackman said: "That's going to be a tough challenge. Totton are having a really good season.

"But we want to test ourselves against these sides. Finally, we have got a cup game at home, which is nice. It's a challenge we will be looking forward to."

Folkestone have played on their new pitch just twice.

They thrashed Lewes 6-0 last Tuesday, having made their Cheriton Road comeback in a dramatic 2-2 draw against Dulwich Hamlet three days earlier.

"We'd had one training session on it before the Dulwich game," said Blackman.

"Obviously, the Dulwich game was mixed emotions. Being down to 10 men and being behind, to then turn it around but concede at the end, that was a bit of a blow.

"But we backed that up well with a good performance

against Lewes. There's been some good attendances already. It's been good we have been able to continue our away form at home.

"We want to make our place a bit of a fortress. We're in a good place at the minute - long may that continue."

Much-changed Folkestone saw off Burgess Hill 4-1 in the first round of the Trophy on Saturday.

Blackman reflected: "We felt, with the amount of fixtures we have got coming up and we have already had, it was an opportunity to rotate the boys.

"We got some minutes into legs. It was a really pleasing result and keeps our momentum going.

"Being able to rest some legs

and give other players minutes, it worked out perfectly."

Among those selected in Invicta boss Saunders' starting line-up were Academy players Harry Uttley and Taj Oliver.

"We were really pleased for them," said former Folkestone forward Blackman.

"It was an opportunity to introduce a couple of the Academy lads.

"Young Harry played at right-back and Taj was left-winger. I cannot pay them enough compliments.

"They got a bit of a shock when the gaffer told them they were starting last week! But I felt they dealt with the occasion extremely well so full credit to them.

"They grabbed an opportu-

ity there. It means, in the future, we know that they can do a job for us if they're called upon.

"If they keep working hard, hopefully, they'll get another opportunity soon."

The visitors took control at Burgess Hill through goals from Jake Hutchinson and Josh Strouts in the first 15 minutes.

Jack Jebb got another before half-time and, while the Hillians got one back and won a penalty, which they failed to convert, a late spot-kick by Hutchinson ensured progress.

Blackman said: "It was a bright start. We were 2-0 up in the first 15 minutes.

"There were some superb assists and the second goal, in particular, was really pleasing. It settled any nerves and espe-

cially those of the young lads. The third one, I wouldn't say it killed it off, but it put us into a comfortable position.

"I know they got one back and then missed a penalty that, in our opinion, was not a penalty. "That felt like just rewards for us. Then, we did really well in the second half.

"All in all, it was a really good day's work."

Invicta host Billericay in the league this weekend. The Essex club reached last term's play-offs, losing out at the semi-final stage in extra-time to eventual winners Dover, but have struggled this season.

Blackman said: "They're not having the greatest of seasons.

"But, when you look through

their side, there's no doubt there's a lot of ability."

That's followed by a trip on Tuesday to relegation-threatened Welling, who have suffered three losses in a row.

But Blackman said: "Anyone on their day is capable of getting a result against anyone in this league.

"We're doing our due diligence to make sure we're as prepared as we possibly can be for each game. I know it's a cliché but we just want to tick them off as they come. Then, we can see where we are in six to maybe eight weeks' time."

Invicta suffered a 2-1 injury-time defeat in their midweek league game at Hashtag United, Dean Rance had equalised for the visitors late on.
