

Application No.,

To Whom it may concern.

Re; The erection of a new community hub at the Methodist church, 153, Sandgate Road, Folkestone.

Prior to its closure, the church was catering to the needs of the homeless, where I suffered from endless disturbances, such as, Defecating, Urinating, Bad language, needles etc, all this was happening outside my kitchen window!

I am formally objecting to this proposal, due to, as

stated, also my mental well-being will be affected, and a nightmare scenario! Though its commendable that charities are finding solutions to help the homeless, it should not be to the detriment of others!

I urge you to reconsider the approval of this project and look forward to hearing from you regarding this matter.

yours

Sincerely

Inese Shrubsole (Mrs.)
