Your representation should arrive no later than 20 March 2026.

Please note, any comments submitted online are automatically routed to a holding queue where the comments will be reviewed and if necessary redacted before publishing. If any comments are deemed to be inappropriate and not relating to land use considerations, they will not be added to the comments section of the planning application.

Any representations received after the end of the consultation period may not be considered in determining this application. The Council is obliged to make any letters/emails of representation on planning related applications available to the public and your comments will be viewable online.

Due to the number of comments received to each application, we will not be able to respond to questions raised in letters of representation, but all representations made will be taken into account when considering the application. You will be notified of the Council's decision on the application in due course.

Any anonymous comments cannot be taken into consideration.

If you do not own this property, please forward this letter to the owner.

Under the provisions of the General Data Protection Regulations 2018, from 25th May 2018 all comments on applications will be held for 3 years.

Yours faithfully
